

Girl Scouts Feed the Heartland

Welcome to Girl Scouts of Ohio's Heartland Council! Thousands of girls in Central and Southeastern Ohio are now part of something special!

Members of Girl Scouts of Ohio's Heartland are invited to participate in our council-wide service project to FEED THE HEARTLAND! You may receive the patch the first time you participate and add a can segment for each additional service opportunity!

Did you know?

- Currently food requests at pantries have increased 14% from last year.
- Nearly 20% of Ohio children live in poverty.
- One pound of food = one meal for a family.
- One person can make a difference in the lives of others.

What can you do?

Help us FEED THE HEARTLAND by learning about hunger issues that impact your community and taking action by choosing and completing a related service project during Girl Scout Week or throughout the entire year.

There are several ways to help:

- Collect canned food items and donate to a pantry in your community.
- Participate in Operation Feed, Harvest for Hunger, or other regional food drive campaigns in your community.
- Organize a food drive at your school or service unit.
- Volunteer at a local food pantry.
- Volunteer at a local soup kitchen.

Where can I find information about food pantries in my community?

The websites listed below are for regional food banks that cover the counties served by Girl Scouts of Ohio's Heartland. These organizations can provide up-to-date listings for food pantry locations in Central and Southeastern Ohio, as well as information on other hunger issues that impact your community.
