

Girl Scouts®

Ohio's Heartland Council

Camp Ken-Jockey & The Elam Environmental Center

Volunteer and Employment Opportunities

Volunteering

Special Event Volunteers: Girl Scouts age 11 and older are invited to volunteer their time to earn service hours and help make our Special Events a success. Please visit the Camp Events [Calendar](#) for upcoming opportunities.

Troop Service Projects: Troops who are interested in earning service hours while completing projects at The Elam Center/Camp K-J should contact Erin Hull at ehull@gsosheartland.org.

Program Aides/Interns: Older Girl Scouts and adults are invited to volunteer their time to assist Elam staff with teaching programs, leading school field trips and preparing for and hosting Special Events. Whether you want hand-on teaching experiences with girls or would prefer to be behind the scenes helping in the butterfly garden, setting-up for events, or blazing trails, we have something for you! Please contact Sarah Kafer at skafer@gsosheartland.org for more information.

Day Camp Volunteers: GSOH provides outdoor opportunities for hundreds of girls each year during our summer Day Camp season. Our Day Camps are run entirely by volunteers! Please visit the [Day Camp page](#) for more information.

Employment

The Elam Center accepts applications year-round for individuals with an interest in education and natural resources. Limited paid positions are available. Environmental Educators assist with teaching troop and school group programs, hosting Special Events and a variety of other projects, as needed. Additionally, Camp Ken-Jockey hires site hosts and lifeguards for our busy Day Camp season.

If you are interested in employment at the Elam Center or Camp K-J, please contact Grant Lewis at glewis@gsosheartland.org.
