

The Power of Patch Program

*"One girl can make a difference...
Girls together can change the world!"*

How can 1 Troop, 1 Girl and 100 years help you and the cookie program make 1 more change in your community? There are several ways!

Complete 2 of the following requirements to earn the Power of 1 Patch:*

-  **Give "100" Gift of Caring boxes to charity**
Troops will participate in the Gift of Caring Program, where they will offer their customers the opportunity to purchase additional packages of cookies to be donated to a charity of their choice. Please note: GOC cookies at a Kroger Booth Sale, will be donated to the local food bank.
-  **Volunteer at your GOC (Gift of Caring) Location**
There are many ways to volunteer through your GOC charity. If your GOC is a local nursing home, you can dedicate an afternoon assisting with events and parties.
-  **Advertise your GOC (Gift of Caring) at a Booth Sale**
Create a sign or decorate a donation box to inspire others to donate to your chosen charity. Have someone take a picture of you at your booth and email it to productsales@gsoh.org.
-  **Donate 10% of your Troops total cookie orders to your GOC charity**
Example: If your Troop sells 2,000 boxes of cookies, 200 of them would be donated to your GOC.
-  **Troops have 100% participation in the Cookie Club**
Each Girl Scout within your Troop must send 5 emails to be considered 100% participation.
-  **Knock on "100" Doors during the GS Walkabout**
Please have someone take a picture of you and/or your troop and submit for validation to productsales@gsoh.org. Note: Is it not required that the household purchase a box of cookies.
-  **Sell "100" boxes of Savannah Smiles cookies**
New for 2012, the Savannah Smiles cookie celebrates our 100th birthday! To further honor our anniversary let's keep the number 100 alive!

*The requirements can be completed through the Girl Scout Pathway of your choice; Camp, Events, Series, Travel, Troop or Virtual.
